COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Assessors have established a tax rate of \$27.60 per thousand valuation. This is an increase of \$1.20 over last year. This increase was anticipated due to the fact that about \$10,000.00 more was appropriated at the last annual town meeting over the amount appropriated a year ago. There is an increase in the inventory of real estate and personal property amounting to \$124,518.00. The total valuation of the town is \$4,642,037.00.

If everything goes as planned the 1957 tax bills should be delivered by Oct. 1st. The Assessors having completed their work, the taxes are now being computed by Mrs. Hutchins who is substituting for Mrs. Lyon this week. The actual typing of the commitment and tax records will start on Wednesday of this week, which also includes the bills as this is now all done in one operation by the use of special forms and carbon. This system was started last year and is an improvement over the old system as it eliminates a lot of handwriting.

Sincerely,
Harold L. Bean

HOTEL ASSOCIATION TO HOLD PILGRIMAGE AT BETHEL INN

The Annual Fall Pilgrimage of the State of Maine Hotel Association will be held at the Bethel Inn on October 6, 7 & 8 according to an announcement made by Henry D. McAvoy, President of the Association.

The entire three-day session will be devoted to fun and relaxation for the Maine Hosts and Hostesses who have had a busy summer dispensing Maine Hospitality to thousands of out-of-state visitors. Golf, tennis, shuffleboard and professional entertainers will give all a chance to reverse the field and be guests themselves at one of Maine's most popular resorts for a few days.

McAvoy pointed out that this year's Pilgrimage would be held at what is usually the height of the fall foliage season in the area around Bethel, and that there will be no business sessions to interfere with the house party atmosphere that will prevail at the "Gem of New England Inns." Mr. and Mrs. Guy P. Butler, owner-operators of the Inn, will be hosts to the Association.

BETHEL IFYE DELEGATE RETURNS TO MAINE

Next Week

Miss Shirley M. Bartlett, Bethel, Maine's International Farm Youth Exchange delegate to England and Wales, returns to the Pine Tree State next week, Tuesday or Wednesday.

Stacy P. Miller, administrative assistant for the Extension Service of the University of Maine, reports that Miss Bartlett sailed from England September 9 aboard the Roma Star and is scheduled to dock at Montreal Wednesday, Sept. 18. She then goes to IFYE headquarters near Washington, D. C. to make final reports and summarize her experiences, along with other American delegates.

The summary session is expected to be completed by next Monday evening or Tuesday and Miss Bartlett will then return to her home in Bethel. She has been in England and Wales for nearly five months. She sailed from New York City on the Queen Mary on April 10. She has lived at various farms throughout England and Wales and has learned how the British do things and in turn has taught them much about America.

Miss Bartlett will speak to various organizations in Maine and show colored slides of life in England and Wales.

CLOTHING LEADERS MEET AT BETHEL

Clothing Leaders from the Bethel area met at the Home Economics room for a training class on "Better Care for Longer Wear." Information on care in laundering, pre-treating garments, spot removal, whitening nylon garments and washing a wool sweater in cold water was given by Mrs. Louis N. Hoff, Asst. H. D. A.

Woodworking Industries of the U. S. employ 1,500,000 full-time workers.

NOTICE

Dr. W. T. Treadle, health officer, announced the second in series of public shots for the 20 to 40 age group will be held Tuesday, Sept. 24 from 7:30 p. m. to 8:00 p. m. at Bethel Community Room. There will be a fee of \$1.00. Mrs. Henry Hastings, R. N., Mrs. Dale Thurston, R. N., Mrs. Norman Dock, R. N., and Mrs. Rodrick McMillan will assist Dr. Treadle. All parents are urged to take advantage of this program.

CMP PLANS POWER MAINTENANCE WORK SUNDAY MORNING

Throughout a large area of Western Maine vital maintenance of sub-stations and highlines will be performed during the early morning hours of Sunday, September 22. From 2 to 4:30 a. m. power will be shut off in much of the territory served by the Norway and Bridgton districts of Central Maine Power Company.

According to Henry W. Mertens, CMP Western Division Manager, the maintenance work is part of the local power company's normal program. The large area will be without power during the interruption because certain key switches on the 110,000-volt line from Lewiston to Norway must be greased and inspected.

About 70 men from Norway and Bridgton line crews and from the company's stations and transmission departments will be organized into more than 20 small crews. They will clean dirty insulators and replace broken ones; they will inspect and grease switches and test transformers and regulators.

As many different jobs as possible are being done during the available time to try to insure that no further planned interruptions will be needed again in the near future, according to Mr. Mertens.

When radio instructions are issued that the switches are open and work may safely proceed, the crews will simultaneously begin work in a number of different locations. Key substations of the Norway area which will receive attention are at Norway, Paris Hill, West Paris, Bryant Pond, Locke Mills and Bethel. In the Bridgton area men will be working at substations are Bridgton, Harrison, Papoose Pond, West Bridgton, Lovell, Fryeburg and Center Lovell.

Locations which will be without electricity are Bridgton, and North, South and West Bridgton, Harrison, Waterville, North and South Waterford, Sweden, Stoneham, and East Stoneham, Stow, Fryeburg, and East Fryeburg, Lovell and North, Center and West Lovell.

Electric power will be shut off for the following communities of the Norway area: Albany, Bethel, Greenwood, Paris Hill, North Paris, Westlock, West Paris, West Sumner, Gilead, Newry, North Norway and the Norway Lake area. Norway and South Paris will not be affected by the outage.

The interruption will take place as planned between 2 and 4:30 a. m. unless extremely bad weather should interfere. A light rain would not stop the work, said Western Division Manager Mertens. Clearance to kill the critical 110,000-volt line would be difficult to obtain another time and no alternative date is available.

LOCAL GIRLS RETURN FROM SPRINGFIELD EXPOSITION

Betsy and Carolyn Chapman, cousins of Bethel, were the only Oxford County 4-H club delegates to the Eastern States Exposition at Springfield, Mass. This past week both girls are enrolled in the 4-H beef project and have each raised two excellent beef creatures.

Betsy took her Shorthorn steer and placed fifth in her class. At the sale Miss Chapman received \$60 a pound for her animal.

Carolyn placed sixth with her steer in the Hereford light-weight class, and received \$50 a pound for it at sale.

Both girls had a wonderful time at the Exposition and feel that it was a very valuable experience. The girls were among 13 Maine young people taking beef animals to Eastern States. The Maine group won the Herdman's Cup banner for excellent herdsmanship, showing cleanliness in barn condition and in care and fitting of their animals.

CARLOS MOLINA OF ECUADOR, IFYE DELEGATE, SPENDING TWO WEEKS IN BETHEL

Carlos V. Molinas of Guaranda, Ecuador, will be visiting farms in Oxford County for nearly five weeks. His first host family in Oxford County is that of Richard Carter of Bethel. The Carters welcomed Carlos into their home on Monday, Sept. 16. Stacy R. Miller, Administrative Assistant of the Extension Service, accompanied the IFYE exchangee to his new home in Bethel, where he will remain for approximately two weeks.

Following his sojourn at Carter's, Carlos will move to South Paris where he will be a member of the Harold Shaw, Sr., family. He will live on the progressive Shaw Dairy Farm for a period of approximately two weeks.

Carlos is an Extension Service Agent in Ecuador. He was one of the first agents in his native land, and his office is used to train other Extension Agents to carry on the work in other parts of his country.

Molina's province is about three times the size of Oxford County and grows such varied crops as bananas, coffee, potatoes and grains. Carlos is the only agent for this huge and varied territory, being a 4-H Club Agent, County Agent and Home Demonstration Agent—all in one.

After his stay in Oxford County Carlos will leave for Washington, D. C. for a final program, and will leave from Florida for Ecuador on Nov. 4.

WEST PARIS WOMAN BREAKS SHOULDER IN L. MILLS ACCIDENT

A car driven by Miss Judith Chamberlain of West Paris went out of control and left the road near the Cummings Service Station at Locke Mills late Monday afternoon. Miss Lavinia Chamberlain of West Paris, a passenger, suffered a broken shoulder and was taken to the Rumford hospital. The driver and other passengers, Robert and Evelyn Chamberlain, and Frederick Kothans escaped with bruises. All were thrown from the car except Kothans. The accident was investigated by State Officer Kenneth Wing.

BETHEL PTA OPENS SEASON WITH MEETING AT CRESCENT PARK SCHOOL TUES. EVENING

The first PTA meeting of the year was held at Crescent Park School Sept. 17. This is the regular meeting night, third Tuesday of the month. Sixty-three interested parents and friends attended. They were greeted at the door by Stan and Amy Davis who attached name tags to each lapel. The year has started out successfully with Edith Epper presiding.

Supt. Donald Christie introduced the teachers. Then the business meeting proceeded.

Dana Douglas reported on the basketball game featuring the Globe Trotters. This is to be the fund raising project for the year. The group voted money for the Bethel schools including East, West and South for a Halloween party. It was also voted to supply the committee of Don Christie, Rolly Glines and Dana Douglas with money to buy play toys for the three rural schools of Bethel.

The attendance banner was won by the eighth grade. The door prize was won by Kay Eames. This is to be a regular event.

After the business meeting George Bowhay, instructor at Gould Academy, gave a most interesting talk on his experience at Cornell this summer.

He stressed the interest of major oil companies such as Shell (grantor of his scholarship) to bring out finer scholars in Physics and Electronics. Sensibly they feel that training the trainers is of major importance.

Mr. Bowhay felt that even more important than superior instruction are the habits instilled at home by parents stressing more reading, and actually helping the child realize that most superior students are not born but made by diligence and hard hard work.

Mr. Bowhay spoke with humor and understanding on educational problems and opportunities that are being wasted and need more publicity to acquaint parents with future possibilities in the higher education bracket. Not only the major oil companies but many colleges find themselves with more money than superior students to spend it on, mainly because parents do not instill in their children during the formative years the necessity of good study habits. Refreshments were served by the eighth grade mothers.

The Week in Oxford County

Hebron Academy's enrollment at the start of the school year Wednesday is 194. Four new instructors have joined the staff; two of whom, Philip H. Montgomery and William Carhart, are alumni of the school.

Miss Carlene Lary of Paris Hill entered Bangor Theological Seminary to prepare for the Christian ministry and missionary duties. Miss Lary is the daughter of Mr. and Mrs. Irvin Lary. She graduated from South Paris high school in June.

Dr. Charles W. Hersey, veterinary surgeon, has purchased a farm at Rumford Center and is establishing an animal hospital there.

John Greene of Mexico and Alvin John Hatherson of Rumford left Saturday as delegates to the National Convention of the American Legion being held at Atlantic City, N. J.

The theft of several American Legion bronze plaques from G. J. John's Cemetery, Rumford, was reported to authorities by the section.

A potato weighing three pounds is harvested by Charles Libby of North Fryeburg. It will be exhibited at North Waterford Fair.

Joseph H. Wilner of Wilner Wood Products, Norway, was a speaker at the meeting of the Bethel Lumber Traders Association of Maine at Poland Springs this week.

The topic was concerned with the utilization of wood waste. There were 24 attending the meeting of the Oxford County Christian Youth Council at the Second Congregational Church, Norway, Sunday afternoon. Those present were from Bethel, South Paris, West Paris, Norway, Lovell, Fryeburg, and North Bridgton.

SCHOOL NEWS

Grade 5—Mrs. Hastings

We had our pictures taken Wednesday. We had one hundred percent attendance Wednesday.

Thursday we made maps in Social Studies. Friday we made pictures to go with a poem, called September. Monday Mr. Heino passed out slips for Polio shots and shots were given, Tuesday the 17th. — Alan Newton, Reporter.

Grade 6—Mrs. Doris Lord

Gregory Howe, Frank Saunders, Charlie Mills, Burnham Rice, Donny Young and Ralph Jackson went to Boston Saturday to see the Red Sox win over Cleveland. We are sorry that Corey Brown broke his arm last Thursday night while playing at home. Hurry back Corey! — We are glad to have Frank Swan back although he is on crutches. — Sheila Gilbert won 1st prize and two 2nd prizes at Norway Fair on her 4-H exhibits. Others have sent in 4-H things but haven't got the results. They are Cecily Freeman, Lorraine Eames, Carol Flint, Elinor Mills, Martha Keniston and Gregory Howe. — Martha Keniston.

Grade 7—Mrs. Gunther

Mrs. Epper took Mrs. Gunther's place Friday. We think our displays on planets are coming along very well. We had our pictures taken last Wednesday. There's going to be a Social for the seventh and eighth grades. — Jackie Saunders.

Grade 8—Miss Varner

We are studying about Maine;

Indians, animals, minerals, flowers, fish, crops and trees. Miss Varner read us the story of "Mollyoc-kett." On Tuesday two more of us had polio shots. The names of the pupils in last week's paper are those pupils who are in our room. — Mr. Marcuse will be here on Tuesday for our first music lesson, also on that day out-of-town students will go to the Bethel Public Library. — Wayne Andrews thinks we should say, "Our teacher has a new car."

Ten boys from our room who are members of the Little League Baseball Team were lucky enough to be able to go to Fenway Park in Boston last Saturday to see the Boston Red Sox play the Cleveland Indians. Boston won 13-10. They would like to thank the men who helped the Little League and made the trip possible. — Charlene Swain, Reporter.

Grade 9—Mrs. Gunther

Mrs. Epper took Mrs. Gunther's place Friday. We think our displays on planets are coming along very well. We had our pictures taken last Wednesday. There's going to be a Social for the seventh and eighth grades. — Jackie Saunders.

GIRL SCOUTS

Troop 1 Girl Scouts met Tuesday, Sept. 17, at the American Legion Rooms with about 30 girls present. A matching puzzle game divided the girls into patrols for the new year. Leaders present were: Mrs. Malcolm Mundt, Mrs. Ralph Kimball, Mrs. James Brown and Mrs. Robert Keniston. A formal meeting was held with the Horseshoe and Flag ceremony. Plans were discussed and presented to the group.

There will be a formal meeting the first week of each month. Oct. 1 will be a Court of Award meeting, at which time badges will be presented to those earning them up to date. There will be meetings each week with time spent on badge work with Badge Consultants. Money making matters were discussed. It was decided to continue collecting newspapers. We want to thank Mrs. Ralph Berry who has helped us a great deal on this project. Mrs. James Brown is chairman of the project. This fall we plan to sell calendars and in the spring will be the Annual Cookie Drive. Next meeting will be Tuesday at the Legion Rooms. Each girl should bring her handbook and notebook. Patrols 4 and 5 will meet at the home of Mrs. Malcolm Mundt.

CUB SCOUTS

The Cub Scouts Pack meeting and Den Mothers meeting will be held Friday evening, Sept. 20, at the Congregational Church. Den Mothers will meet at 6:53, followed by a Pack meeting at 7 o'clock. Cub Scouts who are 11 will be transferred into the troop. Regular Den meetings will start the first week in October.

Scranton, Iowa Journal "Democrat" Thomson made the telling point that the U.S. had no more to get the dough for building schools, houses but from the States, and he wasn't proved wrong when he said 40% of the collection would rub off in Washington and never get into brick and mortar."

WOMEN'S FELLOWSHIP AFFAIRS

There were 18 members of the Executive Board present at the meeting held at Mrs. John Tebbels, the evening of Sept. 18.

The meeting was conducted by the President, Mrs. Roy Barker. The secretary's report was read by Mrs. Marie Nichols, and treasurer's report by Mrs. O. H. Anderson.

There was much discussion on a fall project to earn money.

This month, Circle 2, Florence Emery's group, have for their month of service. They will provide someone to greet at the door each Sunday morning and the nursery is being conducted by one or more mothers so that parents may attend church services.

The next Executive Board meeting will be held Oct. 30 at Mrs. Ireland's home, assisting hostesses will be Janet Richardson. The next Fellowship meeting comes Nov. 13th. Maine Council of Church Women have a Program for Institutes at the Methodist Church, Kittery, on Sept. 17, and at the Congregational Church, Freeport, Sept. 18. We have been asked to attend.

Hamilton Electric Watch

The Hamilton Electric Watch has no mainspring, no winding parts. The hands are driven by the balance wheel. Its source of power, electricity, is released from the tiny Energy Cell in an unending, constant flow that results in remarkable accuracy. Of simplified construction, it has fewer parts. It is the only watch which runs without winding whether or not it is worn.

by Douglas L. Marston
Soil Conservation Service

The Conservation Education Foundation Campus at Bryant Pond is to have permanent conservation practices to show teachers next year. Under the supervision of Douglas Marston of the Soil Conservation Service a pond, diversion ditches and sod waterways were established earlier this month.

Bulldozers owned by Raynor Brown and George Hemond were used for the construction work.

The purpose for establishing these conservation practices, was to have some real examples for the teachers attending the training sessions, each summer.

The Freeman-Waterhouse Campus on the shores of Christopher Lake was opened for the first time this past summer. Three-week sessions are open to teachers with college credits offered. Larry Stewart is in charge of the school, and is anxious for teachers to have the best possible training in the short time that they are there.

Teachers interested in attending the Campus may obtain application blanks from Mr. Larry Stewart, Conservation Education Foundation.

FROM OUR FILES

18 YEARS AGO

Mr. and Mrs. Bruce Bailey went to Laramie, Wyoming, where they would attend the University of Wyoming.

The "Chapman Homestead" Guild, was held for electricity. The work was done by Robert Kirk.

Games for ballet and ballroom dancing were being conducted at the Gateway Hotel.

Deaths: Mrs. Lela Willey.

30 YEARS AGO

Operations at Skillington mill were resumed after several months' idleness.

The Bethel library building was moved back 16 feet to allow for the

erection of a new building upon the street front.

Frederick Grover accepted the position as manager of the First National Store at West Paris.

Deaths: John Wight, Mrs. Colman Kimball, Winfield Sloan, Thomas B. Goodwin.

30 YEARS AGO

Mr. and Mrs. Lawrence Lord moved into the new rent which was formerly the Ira C. Jordan store.

Mrs. Muriel Park went to New York where she would teach in a private school.

F. J. Tyler was running his canning factory in Fryeburg.

Deaths: Mrs. Lucetta Bean Bartlett, Mrs. Mary Chandler, Wilford L. Robbins.

PROGRESS REPORTED IN BETHEL INDUSTRIAL SURVEY

Harold Bean, our town manager, and Stanley Davis, heading the Chamber of Commerce survey on industry for Bethel, recently went to Augusta for the purpose of presenting the local survey (in the right) for advice and criticism. They were pleasantly impressed by the cooperation of the men serving on the Maine Industrial Survey Committee. They worked closely with Mr. O'Brien, a permanent member of the Commission, and Mr. Lawrence, a forester and part time member.

The survey was approved and left in Augusta to be edited. The two men came to Bethel last week to get a more personal understanding of the local atmosphere and problems and have made plans to come to Bethel Sept. 27 to check with several mills on the advisability of extending their businesses into some phases of wood finishing, instead of shipping so much crudely finished lumber.

The point has been brought out that good zoning laws are a must or a town can find itself in a mess from which it is hard to recover. It is understood that Bethel's planning (zoning) committee, which was named last winter, has made little progress as yet.

WHAT SPEED DOES YOUR GAS GAUGE

Although city driving uses up gas like a sponge, highway driving is costly too. If you go too fast, at a steady 40 mph your gas mileage will drop 15% from what you would get at 30 mph. At 50, it will drop approximately 30%; at 60, 50%. Naturally, you can't keep along a superhighway at 30 mph. But consider this. You can save one gallon of gas out of every four by driving at 30 mph instead of at 50. And you will be safer besides.

CHANGING TIMES

MUSIC APPRECIATION GROUP
The Music Appreciation Group will have its first of a series of six meetings at 8 p. to Sept. 26, at the Gould Academy Music Room. This marks the beginning of the fifth year that this group has been getting together for the purpose of listening to and enjoying good music under the capable direction of Walter Marston.

A cordial invitation is extended to everyone in Bethel and surrounding communities interested in attending the meetings, which are held every other Thursday beginning the 26th.

CHRISTMAS TREE PRODUCTION COVERED IN NEW EXTENSION BULLETIN

Growing high quality Christmas trees is the subject covered in the newly revised Maine Extension Service Bulletin 430. It's called "Christmas Tree Harvest." The 28-page, illustrated bulletin is available from county agents at County Extension Service offices throughout Maine. Or interested persons may write to the Bulletin Office, Extension Service, University of Maine, Orono. Lewis P. Bisset, Extension forestry specialist, points out in the bulletin that the average annual cut of Christmas trees in Maine is more than a million trees worth one-half million dollars. This includes stumpage, operating costs, trucking, and marketing.
